

Is your company **READY** to face complex orders or capacity issues?

Join us to see what the **CONFIDENT** folks do to be successful.

Here are the answers from the registrants of the upcoming webinar; *"My Bow Wave Just Ate My Hockey Stick"*. **The results are pretty interesting!**

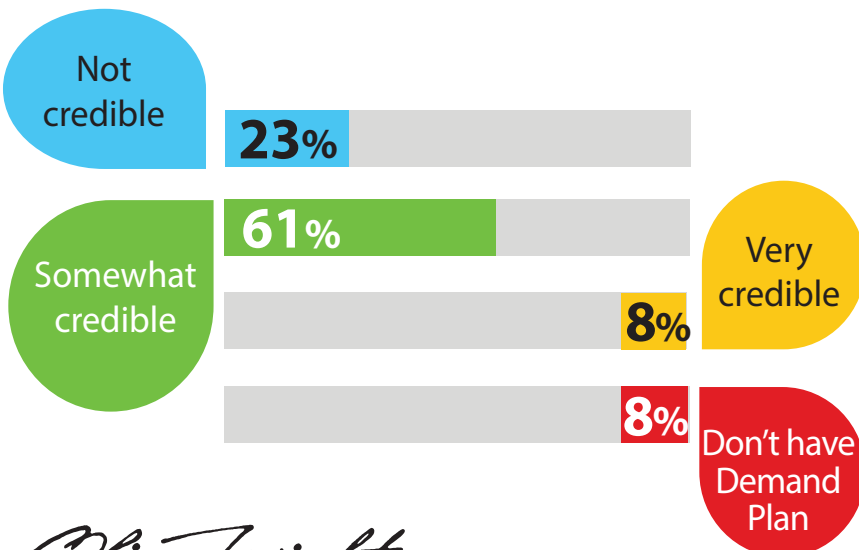

How confident are you with your company's ability to complete complex orders as promised and/or scheduled?

If you were immediately faced with capacity issues, how confident are you that your company could establish an Integrated Tactical Planning process to fill short-term needs?

How credible is your company's Demand Plan?

Does your company plan capacity based on revenue?
