

Pre-Webinar Survey Results

How satisfied are you with the skill levels exhibited by people working in the following functions?

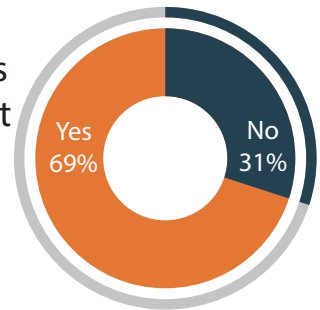

Is your company spending less or more on **training** compared to last year?

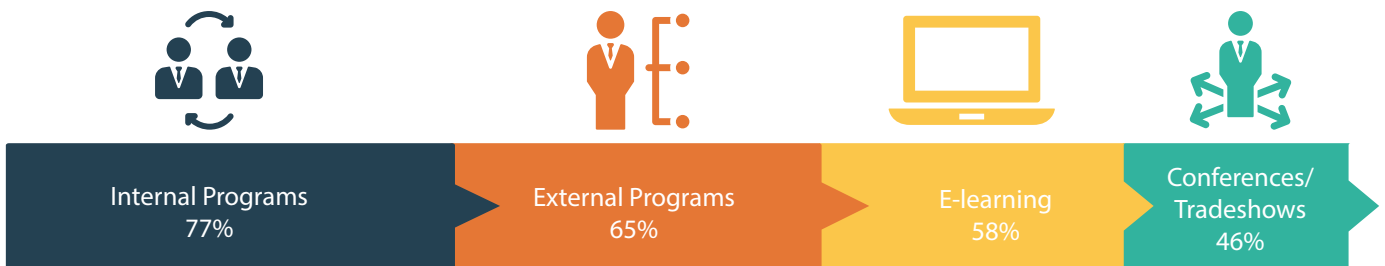

Is your company spending less or more on **education** compared to last year?

Is your company's education budget tied to business strategies and goals?

How do team members receive process education and training?

These survey results are from the 9/14/17 Oliver Wight Webinar:
Approaches to Education and Training – Turn Human Capital Into an Enduring Competitive Advantage
